#### **IMPORTANT**

The limits on campaign contributions do not apply to a candidate's own contribution from personal funds or to personal loans made by financial institutions to the candidate and applied to his campaign. Any personal loan made by a financial institution to a candidate and applied to his campaign shall be reported in Section 11 and included in the amount of total contributions reported on line 18.

If a candidate desires to use or raise campaign funds to repay himself for personal funds which he contributed to the campaign, then he would need to report those personal funds as a loan in Section 11. Such personal funds would be included in the amount of total contributions reported on line 18.

If a candidate does not desire to use or raise campaign funds to repay himself for personal funds which he contributed to the campaign, then those personal funds would not be reported in Section 11. Instead, they would be reported as a campaign contribution either in Section 15 or on line 17, depending upon the amount.

If a candidate has unpaid loans at the end of the primary, runoff, special, or general election, the source, description and amount of each such loan should be itemized in Section 28. Candidates ending their campaign in debt are permitted to raise funds to retire the debt subject to the restrictions contained in Ark, Code Ann. § 7-6-219.

The law provides for a maximum penalty of \$2,000 per violation and/or imprisonment for not more than one year for any person who knowingly or willfully fails to comply with the provisions of A.C.A. § 7-6-201 through § 7-6-226. This report constitutes a public record. This form has been approved by the Arkansas Ethics Continussion.

#### **IMPORTANT**

In addition to monetary contributions, candidates are required to report the receipt of any nonmonetary ("in-kind") contributions. A candidate receives an in-kind contribution whenever a person provides him with an item or service without charge or for a charge that is less than the fair market value of the item or service in question.

The value of an in-kind contribution is the difference between the fair market value and the amount charged. In-kind contributions are addressed in greater detail in Sections 205 and 206 of the Commission's Rules on Campaign Finance & Disclosure.
